

## Banister Back Side Chair

**Medium**

Maple

### Description

A side chair with a solid shaped crest rail above four split column turned banisters and two column turned rear stiles. The banisters are set into a lower rail featuring a center tablet pendant. The block and baluster turned front posts end in small ball feet. The chair includes a double bulbous turned front stretcher, pairs of dowel turned side stretchers, and a single dowel turned rear stretcher. The rush seat has been replaced.

### Dimensions

43.5 × 18.25 × 14 in. (110.5 × 46.4 × 35.6 cm)
