

Canteen

Medium

Oak, iron, tin

Description

A drum-shaped canteen, with thick staves held with two 3/8" iron bands. Three 3/8" tin shoulder strap retainers are held in place under the iron bands. At top, a 7/8" diameter hole is drilled, though the canteen's stopper and/or mouthpiece are no longer present.

Dimensions

Dia: 7.5 in. (19.1 cm)
