Description

View of a church with a five bay facade featuring three entrances, and a three bay side elevation. The gabled roof is shown as a brown-gray, with a single chimney located

mid point on the ridge. An octagonal cupola on the left gable end is surmounted by a conical roof and a weathervane in the shape of a rooster. Two fully grown trees in leaf flank the church, which is surrounded by its grassy graveyard. A dirt roadway passes in front of the structure. The sky is a light blue with two flocks of birds in the air and a few puffy clouds.
