

## Clothes Press

### Medium

Walnut, white pine and tulip poplar

### Description

A clothes or linen press in two parts. The upper section possesses a finely molded cornice above a band of figured mahogany veneer, two beaded flat panel doors with double cyma curved top rails, original brass escutcheons, and chamfered front corners that are fluted. The lower section includes three graduated drawers that are flanked by vertical fluted panels, original oval stamped and gilded brasses, small oval brass escutcheons, and four boldly executed ogee bracket feet below a gadrooned base molding.

### Dimensions

80.5 × 48 × 20 in. (204.5 × 121.9 × 50.8 cm)
