

## Chest on Chest

### Medium

Mahogany (by microanalysis), pine, and tulip poplar

### Description

A very large chest on chest in two parts. The upper section includes a molded cornice above a pierced fretwork gallery, four graduated drawers with thumbnail molded edges and brass bails with solid backplates, and brass escutcheons. The front corners of the upper case are chamfered and fluted. The lower section features applied waist molding and four graduated drawers with thumbnail molded edges, as well as brasses and escutcheons that match those on the upper case. Four large claw and ball feet below a gadrooned front skirt support this very heavy piece of case furniture. The top drawer front and all the brasses have been replaced.
