

## High Back Windsor Arm Chair

### Medium

Maple and ash

### Description

This large black painted Windsor arm chair features a plain shaped crest rail that ends in carved volutes above nine plain turned spindles. The spindles fit into a curved medial rail with narrow rounded arm terminals supported by baluster turned supports. The large D-shaped seat rests on four baluster turned and splayed legs braced with an "H" style bulbous turned stretcher assembly.

### Dimensions

44.75 × 24 × 17 in. (113.7 × 61 × 43.2 cm)
