

Basic Detail Report

Dressing Table

Medium

Cherry, walnut, and hard pine

Description

The one drawer dressing table has a rectangular top with rounded edges. A single shallow drawer below the top includes thumbnail molded edges and a pair of original brass bails with solid backplates. The brasses are held in place with iron cotter pins. The plain front and side skirt panels feature shallow molded bottom edges, and corner leg blocks extend to rounded and tapered turned legs that

end in pointed pad feet. The table retains an early if not original finish. The right rear foot has been repaired. Pit saw marks appear on the backboard, which is of walnut.
