

Tea Table

Medium

Mahogany, and cherry

Description

A tea table comprised of a circular rounded edge top with two cleats mounted to the underside and attached with pin hinges to a birdcage assembly, allowing the top to swivel and tilt upright for storage. A small brass spring latch is mounted to the underside of the top to secure it when in use. The top and birdcage assembly fit over the dowel portion of the turned baluster pedestal, held in place with a removable wooden wedge. Three cabriole legs end in pad feet.
