

Swinging Horse Collar Patent Model

Medium

Wood, brass, leather

Description

Patent model is constructed of two wooden halves forming a teardrop shaped collar. Wooden pieces are grooved to hold an encircling brass piece which is attached to the wood with screws; the brass band is hinged with interlocking pieces. On the bottom left side is a small ring for attaching I.D. papers.

Dimensions

6 × 2 × 9.5 in. (15.2 × 5.1 × 24.1 cm)
