

Basic Detail Report

Apothecary Scales

Medium

Wood, brass, iron

Description

A wooden storage box, featuring a wide drawer in front. A single knob is attached to the drawer, which opens to reveal ten brass and iron scale components as well as three apothecary weights. On the top lid of the box is a brass plate containing two screw holes, where the pieces of the scale can be assembled for use. The central support bar of the scale fits into the larger hole, and an adjustment lever into the smaller.

Dimensions

Box: 2 × 9.25 × 4.75 in. (5.1 × 23.5 × 12.1 cm)
