Wool, glazed cotton, metal

Description

A man's frock style coat of brown wool, with notched lapels, long fitted and shaped sleeves, a close-fitting button front with five cloth-covered buttons, and two pockets at left and right hips. The coat's skirt flares out from the waist seam, constructed with back skirt pleats. Cloth covered buttons are also sewn as decoration above the back pleats and pairs at each sleeve end. The inside shoulders of the coat are lined with fine white glazed cotton.
