

Coffeepot

Medium

Stoneware

Description

A coffeepot with a low-bellied body, rounded molded foot, added "S" curve handle, and an elongated, tapered and curved spout. The coffeepot's creamy yellow surface is decorated with scraffito vines and a small crude cottage flanked with a pair of sunflowers, highlighted with brown and rich green glazes. Both spout and handle are also colored with green. The pot's high domed lid includes a small round knob, highlighted with streaky green glaze.
