

Bulb Pot and Tray

Medium

Earthenware

Description

This is a bulb pot with a matching tray in the shape of a naturalistic hedgehog. It is coated in a bright green glaze, with lines traced throughout the head and body to indicate the texture of the animal. Across the body, many

small holes create space for planted bulbs to peek through. The tray, which holds the soil of the plant, follows the silhouette of the body, narrowing at the head and rear.

Dimensions

5.13 × 4 × 7.75 in. (13 × 10.2 × 19.7 cm)
