## Doll

### Medium

Papier mache, kid leather, sawdust, cotton, silk, lace, human hair, coral

### Description

A lady doll with molded and painted papier mache head, with a tiny painted red mouth, brown glass eyes, and dark brown human hair glued tightly to the doll's head. Gold and coral drop earrings are attached to the sides of the head. A turban cap constructed of wide woven silk ribbon wraps around the doll's head. The doll is dressed in a gown with a fitted black bodice with bishop sleeves edged in jet beading, with layers of net and hand-made lace bertha, and a dark blue silk brocade over a small hooped petticoat, held out by a reed or willow band inserted into the hem. The outfit is completed with knee-high stockings and off-white silk slippers. Accessories include a large

white silk handkerchief and a small blue silk reticule, both attached to the doll's hands.
