## Gown

### Medium

Cotton, linen

### Description

Woman's day or work dress of brown and off-white printed cotton calico in a pattern of sickle meander bands. The gown includes a wide boat neck with a gathered "infant" style bodice with self-piped seams. The long shaped sleeves are full, with multiple gathered rows along the upper arms, added ruffle above the elbow, and snugly fitting wrists with three button-and-loop closures. The full skirt is gathered to the bodice with cartridge pleats. The gown closes in the back with hook-and-eye fastenings. The gown's bodice is lined with medium weight off-white linen. The gown's skirt is faced with a deep 7" hem. The gown also includes a matching fichu or decorative shawl, made of the same material, unlined, with a narrow ruffle added along the bottom hem edge.
