### Description

A quilt comprised of seventeen "Mariner's Compass" blocks, hand pieces of printed cotton fabrics in shades of red, blue, and tan with a pale floral printed cotton background fabric. The blocks are set on point with a sashing and border of brown and turquoise printed cotton. Floral motifs have been cut out in irregular shapes and applied to the plain white circular centers of the compass design. Half blocks at the edges are also set diagonally with blind-stitched appliqued "Tulip" pattern of

red, brown, and blue prints. Two quarter blocks at the top left and bottom right are also appliqued with "Tulip" pattern, smaller and less stylized. The front and back are turned together at the edges and stitched to bind. The quilt includes a plain white cotton backing and very thin batting, outlined quilted with medium length stitches in white cotton thread.
