

Basic Detail Report

Whole Cloth Quilt

Medium

Linen-wool blend, linen, wool batting

Description

A large whole cloth quilt, constructed of three 31" panels of heavy mixed linen-wool cloth known as "lindsey-woolsey," dyed brown and sewn length wise, with an unbleached natural linen backing consisting of three 31" panels, all edges turned under and sewn together, with a fine wool batting in between. The entire quilt is stitched in dyed brown linen thread, with pairs of diagonal lines dividing the panel into on-point squares, each with large single motifs of a four-lobed flower alternating with an in-

curved square bisected with a diagonal band. All four edges of the quilt are sewn with three lines of running quilting stitches.
