Description

Three-quarter length portrait of a young woman facing right, with dark brown hair worn on top of her head, dark eyes, and a soft round face. She wears a black dress with puffed long sleeves, and a white lace fichu over her shoulders. Her left hand rests on the arm of a wooden chair upholstered in green fabric, with her right hand in her lap. Red drapery forms the background behind the sitter. A landscape view appears on the right edge of the painting, as if looking out a window. Additional red fabric

is depicted in the lower right corner.
