

Dress

Primary Maker

Rudi Gernreich

Medium

Polyester knit

Description

A woman's floor length dress of black knit polyester. The dress is constructed in a body-hugging slender silhouette, with a round neck, long sleeves, slightly flared skirt, and a long back zipper. The black polyester fabric is accentuated by pairs of wide lime green and white horizontal bands at the waist and at the upper portion of the proper left arm. A large four inch diameter circle is applied to the center front of the dress.

Dimensions

80 in. (203.2 cm)
