

Basic Detail Report

Pembroke Table

Medium

Walnut and poplar

Description

A pembroke or breakfast table with a single drawer, four tapered legs that are chamfered on their interior faces, and thin, solid cross stretchers. Narrow moldings applied along the bottom edge of both end rails wrap around to

the outer face of the legs. Two rectangular folding leaves are supported by one shaped bracket support on each side that swings out. The shallow drawer, which has a delicate bead around all four edges of its front, retains its original brass bail and two small circular backplates.
